JESUS, OUR TRUE FRIEND PLAYLIST

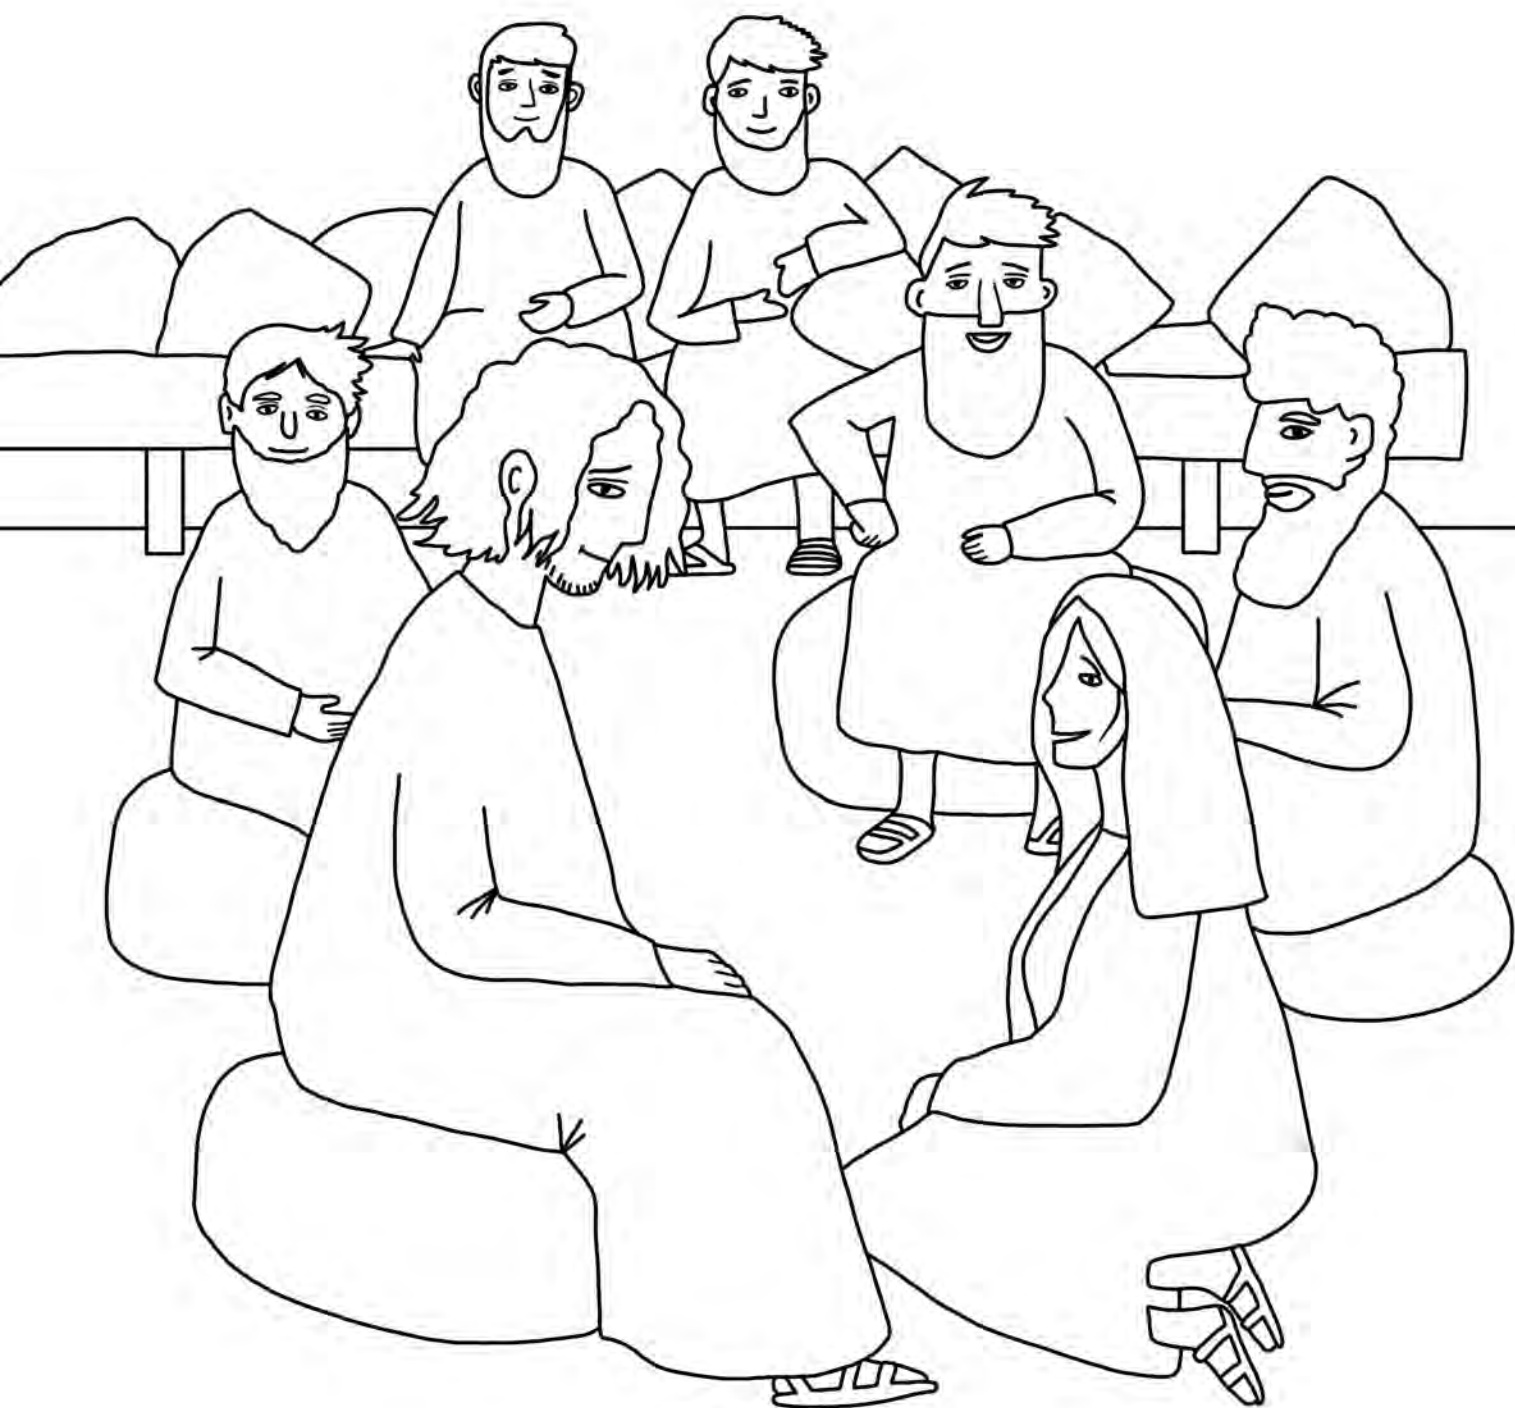

Sally compiled some of her favorite worship songs to fill your heart with joy as you read and experience *Jesus, Our True Friend*. She said this about her playlist:

I have included hymns and worship songs as well as songs by some of my favorite contemporary songwriters. (Full disclosure: quite a few of them happen to also be my friends but I'm not biased or anything.) All of the songs are telling the one great story—of how God loved us and came to live with us. They begin with a celebration of God's great love, a love that was there in the very beginning. They sing of how Jesus came to set us free from all that keeps us from His Joy. You'll see that the songs loosely follow the joy to be found in stories in the book—the mystery of the incarnation, the joy Jesus came to give us, the Father's heart for us, how Jesus calls us to trust him in the storm, how he lifts us up—and then they culminate with more praise. I thought it might be a wonderful resource to have—a soundtrack of hope to accompany the book. I hope you enjoy the songs as much as I do. My prayer is that as you listen, these songs will fill your hearts with hope and joy—as you read by yourself or together as a family, as you go through your day—and remember the wonderful good news that you are not alone. You have a True Friend who has promised always to be near you—no matter what. As together we celebrate the Young Prince who loved us and came to rescue us... Jesus Our True Friend.

"Sally Lloyd-Jones has captured the heart of what it means to find Christ in all the scriptures, and has made clear even to little children that all God's revelation has been about Jesus from the beginning—a truth not all that commonly recognized even among the very learned."
