

# God, we want you.

*We want you to move in this place.*

*We want Your spirit to fall.*

*We want bondage to break in the people around us, God.*

*Help. Move. Work. Get free. Your Spirit come.*

*And would You bind up the enemy.*

*Would he have no dominion in this place where he's had power and issued fear.*

*God would deliverance come.*

*We are begging You in Jesus name. Rescue. Save.*

*Thank you that You are God of the universe, yet You are here meeting with us right now.*

*What a gift.*

*And I bet You love it even more than we do.*

*Thank you that You delight in and over us.*

*In Jesus Name. Amen.*

I'm a *child of God*. I'm *welcome* into the throne room of God. I'm *held* in the hand of Jesus, and no one can take me out of it. I'm *never abandoned*. I'm fully *known*, fully *loved*, fully *forgiven*, and fully *free* because of what Jesus has done for me. I'm *more than a conqueror*. I'm *victorious* in Christ. I'm an *overcomer* because of the blood of the Lamb. I'm *strong in the Lord* and in His mighty power. I'm *equipped* with the full armor of God. I'm *entrusted with authority* over the enemy.
