Let the letter *A* remind you of the **amazing** God we serve and the incredible privilege we have to speak with Him directly. This journey of prayer is an opportunity to stretch beyond familiar words and embrace the richness of fresh, heartfelt expressions. The God who spoke the heavens into existence, who formed the earth with His hands, and who holds all things together invites you into a personal conversation with Him. He is the source of awe, adoration, and abundant life, and He delights in hearing your prayers. Let this truth inspire you as you begin, knowing that each word you pray connects you to the One who is always at work, doing **amazing** things in and through your life.

Joshua told the people, “Consecrate yourselves, for tomorrow the LORD will do **amazing** things among you.”

JOSHUA 3:5

A Starting Place

Sample prayers to inspire your own

Another day and another season of prayer has come.

According to Your loving-kindness, help me pray one authentic sentence, fully focused on You and attuned completely to this privileged conversation.

Alter my proclivity to self-absorption with an absolute focus on You. I confess my meager awareness of You as I wallow in self-awareness. I admit my self-marred life. Give me a Christ-marked life.

Accountability for the tasks given me weighs me down.

Accomplish Your good purposes through me.

Arrange the order of failure and success for Your glory.

Astonish me and my coworkers with Your timing, and
amaze us once again with Your tender mercy.

All of us are tired. We have worked hard. How I
ask for a harvest, not as reward but for encouragement.

Answer our prayers in Your wisdom and proportion.
